

Travertine mosaic “1.5×1.5 Tuscany Mix” Honed

Mosaic with small, 1.5 x 1.5 cm tiles made in a **blend of colours of travertine**, ranging from light beige, through the medium shades, and on to brown, which we call “Tuscany Mix”. The tiles are pre-assembled on mesh, making sheets of 30.5 x 30.5 cm, in order to facilitate installation.

The **small pieces** that make up this mosaic are finely mixed, **are mounted on the mesh**, and make this product particularly suited for use in the bathroom, as tiles for the shower base as well as a mosaic and a decoration.

You can also choose it for the kitchen, perhaps for the wall.
