

Column travertine washbasin “Cono CH”

Washbasin with clean and simple lines made out of two blocks of classic light travertine, suitable for bathrooms with a contemporary look.

It is often installed with glass between the sink and the base to create a countertop. The

conical washbasin is freestanding. The drain is standard, in the wall. With the same simple lines we have the solid “Cono” bathtub to give your bathroom a unique and exclusive design.

- The drain is the standard size
- The fittings must be installed on the wall

Please Note. Fittings and drain not included in the price.
