

Column travertine washbasin “Cono”

Sink with simple and clean lines created out of two blocks of beige travertine, it gives the bathroom a contemporary look. It is often installed with glass between the sink and base to create a support surface.

The conical shaped washbasin is freestanding and the drain is standard in the wall. With the same simple lines we have the solid “Cono” bathtub to give your bathroom a unique and exclusive design.

- The drain is the standard size
- The fittings must be installed on the wall

Please Note: The fittings and drain are not included in the price.

Dimensions
