

Cross-cut travertine “Avana Mix”

This travertine, called **Avana Mix**, is a mixture of travertine in shades ranging from **beige to brown** to create a blend of warm shades.

It comes with the characteristic **antiqued Ciottolo finish** that is obtained by passing it through tumblers, and is ideal for rustic interiors or exteriors given that it is less slippery.

- Easy to clean
- It exhibits color variations and veining

Consult the technical information to see the various possible combinations of formats and surface finishes that are available.
