

Cross-cut travertine “Light Blend”

Light Blend travertine are pieces with uniform colour and a beige background with **light tone-on-tone clouding**.

The Light Blend colour is **luminous and warm**, and perfect for giving any environment a touch of elegance.

Due to its technical properties, travertine can also be used outdoors. This colour selection can also be used for **pools** and **terraces**.

- Easy to clean
- Has good shade uniformity

Consult the technical information to see the various possible combinations of formats and surface finishes that are available.
