

Cross-cut travertine “Milk Shake”

Milk Shake is a **white travertine** with an exclusive shade and colour, probably **the lightest coloured travertine currently available on the market**. The background is milk white with slight veining and the structure is very compact.

Perfect for floors and walls, this selection of travertine is excellent for environments with a minimal design.

- Easy to clean
- Has excellent shade uniformity

Consult the technical information to see the various possible combinations of formats and surface finishes that are available.
