

Cross-cut travertine “Terra Chiara”

The **Terra Chiara** travertine selection has a beige background with veined and spotted pieces primarily with a **light background**. This is one of the most typical colours of Rapolano Stone, along with **Venato Scuro** (PDR008).

The veining and clouding of this material make it perfect for creating wall and floor tiles with a unique and unmistakable style.

- Easy to clean
- It exhibits color variations and veining
