

Designer travertine washbasin “Mustang”

Project: [Raffaellidesigner](#)

Niccolò Raffaelli developed the idea and designed this washbasin for us. It is a rectangular washbasin with a particular finish.

Its rustic appearance is obtained by chiselling and carving a solid block of stone.

The chisel marks are evident on the outer surface of the washbasin, creating its final look.

Dimensions

50 × 40 × 17 cm

Weight

25 kg
