

Diamond Tiles “Bianco Alba 7.5x15x1” Polished

DIAMOND BIANCA ALBA 7.5 x 15 x 1 consists of small tiles, similar to mosaic tiles of 7.5 x 15 cm. It is excellent for defining a classic space, as well as for refined environments.

It is particularly suitable for the backsplash of bathrooms and kitchens. It can also be applied on floors and walls as a transition from larger tiles.

These “diamond” tiles, are made with the edges of each small tile cut diagonally.

This detail gives greater weight and importance to the individual pieces, making it possible to obtain particularly characterized coatings.
