

Freestanding travertine sink “Corno”

Freestanding column “design washbasin” created by sculpting a single block of stone.

Its imposing appearance will give the bathroom elegance given its ability to define the image of the environment. It can also be installed in restaurants or public areas, creating an exclusive look.

- The drain is the standard size
- The fittings must be installed on the wall

Please Note: The fittings and drain are not included in the price.

Dimensions

46 × 85,5 cm

Weight

140 kg
