

High travertine washbasin “Hammam”

Imposing washbasin in light travertine, it began as a water collection tub for Turkish baths and hammams, from which it gets its name.

This is a deep sink made of carved stone, which makes the washbasin the central element of the bathroom, enhancing the architecture of the environment.

- The fittings must be installed on the wall
- The drain is the standard size
- Easy to clean

Please Note: The fittings and drain are not included in the price.
