

Daily Care Kit: Double Supply of Cleaning and Freshness

The **Daily Care Kit** from Pietre di Rapolano is the solution designed for those who never want to be without the best ally for maintaining their natural stone surfaces. This practical case is focused on safe, daily cleaning, ideal for those who have multiple marble or travertine environments and desire a ready-to-use supply.

Case Contents:

The professional black case contains everything necessary for impeccable results:

1. **C1.07 DAY - Neutral Spray Cleaner (500 ml):** Your daily ally. A pH-neutral **ready-to-use** cleaner that cleans gently, removing dirt without affecting natural finishes or existing protective treatments. Leaves the surface clean and fresh.

2. **C1.07** is the ideal professional neutral cleaner for the **regular cleaning** of all stone materials and more. Its balanced formulation at **pH 7** ensures effective cleaning without affecting or damaging the most delicate surfaces and those that have already been treated. To be used diluted in water.
 3. **Professional Microfiber Cloth:** Specifically designed for even application of products and removal of any excess, ensuring a streak-free finish.
 4. **Technical Sponge:** Ideal for localized application or for working mechanically with C1.08 cleaner on areas requiring greater cleaning power.
