

Round travertine washbasin “Castellina”

The design of this washbasin makes it possible to install it on the countertop or semi-recessed with the base on the perimeter edges.

Given its large size, it is suitable for those looking for a sink that is unique yet practical for every day use.

- The fittings can be installed on either the surface or the wall
- The drain is the standard size

Please Note: The fittings and drain are not included in the price.
