

Minimal travertine sink “Breve”

Large wall-mounted sink in light beige travertine, crafted from a single stone block.

Its design is very minimal, suitable for bars and restaurants.

It can be wall-mounted with metal brackets or placed on walls or a countertop. Available in two versions, with one or two faucet holes. This sink is designed for use in large bathrooms.

- The drain hole is standard size.

Note: Brackets and drain not included in the price.
