“Basketweave” Polished Travertine Mosaic

Basketweave is a **decorative mosaic** for flooring and wall coverings in bathrooms, living rooms, entrances, kitchens. It is made with light travertine tiles measuring 2.5 x 5 cm and dark travertine tiles measuring 1 x 1 cm. The **finish** is **Rustic** (polished only).

The arrangement of the tiles creates a unique pattern and the optical illusion that the pieces interweave with each other. A classic and prestigious design for luxury environments.

- Easy to clean.
