

Rectangular travertine washbasin “Wave”

“Wave is a **rectangular countertop washbasin in light travertine**, made of a solid block of marble completely carved and finished by hand. Its **simple and clean lines** make it perfect for minimalist environments, to which it gives a touch of elegance and class.

It can be installed directly on the wall using brackets.

- The fittings can be installed on either the surface or the wall
- The drain is the standard size
- Easy to clean

Please Note: the fittings and drain are not included in the price.

Dimensions
