

Round dark travertine washbasin “Fonterutoli SC”

The special feature of the “Fonterutoli” round washbasin in dark walnut travertine is the edge, a particular detail that makes it extraordinary.

The 50 cm diameter makes it practical for every day use. The particular design of the edge makes it also suitable for baths in which image is important. It can be installed both on the countertop or semi-recessed.

- The fittings can be installed on either the surface or the wall
- The drain is the standard size
- Easy to clean

Please Note: The fittings and drain are not included in the price.
