

Round travertine washbasin “Tonda”

If you are looking for a washbasin that can become a **design element** but at the same time can be practical for every day use, and may even have a **reasonable cost**, our “Tonda” model may be the right choice for you.

Since it has a simple geometric shape, we can maintain a reasonable production cost and, as it is one of our bestsellers, we often are able to offer other promotions.

Our **simple shape combine with the natural stone** make this object suited for any type of bath, from a minimal to a classic look.

- The fittings can be installed on either the surface or the wall
- The drain is the standard size
- Easy to clean

Please Note. The fittings and drain are not included in the price.
