

Rustic travertine washbasin “Pilozzo”

Countertop washbasin in classic travertine. Its rustic appearance is obtained by chiselling and carving a solid block of stone. The chisel marks are evident on the outer surface of the washbasin, creating its final look. It's available in 2 versions. The pilozzo grande can also be installed outdoors in the garden or on the terrace or balcony.

- The fittings can be installed on either the surface or the wall
- The drain is the standard size

Please Note: The fittings and drain are not included in the price.
