

Small round travertine sink “Talla”

Minimal round sink obtained by turning and hollowing a small block of light beige classic travertine.

If your bathroom is not very large but you still seek a solution to make it special, this model might be for you. Despite the **reduced dimensions**, we have designed a shape that is both attractive and practical, maintaining a minimal style.

- The faucet can be installed either on the countertop or on the wall.
- The drain hole is standard size.
- Easy to clean.

NB. Faucet and drain not included in the price.
