

Swimming pool edges in Travertine “Light Blend” / bullnose

Rectangular tiles in various sizes with **tumbled finish** resembling “river pebble”, featuring a distinctive **antique look** that mimics the wear of time.

Available in two versions: with bullnose edge or straight edge.

Designed for **cladding the perimeter edges of pools**, they are ideal for outdoor environments due to the excellent technical characteristics of the material used in this selection.

Selection of light beige tones of travertine stone.

- Non-slip

Consult the technical information to see the various possible combinations of formats and surface finishes available.
