

Travertine Bathtub “Cone”

If you are looking for bathroom furnishings that can elevate the style and enhance the comfort and welcoming feel of this space, our “Cone” bathtub is the answer.

Pair it with the sink from the same line and create a small wellness center in your bathroom: indulge in the unique handcrafted elements **and the striking visual impact.**

The “Cone” series is distinguished by its profile, with **two different inclinations, capable of combining design and functionality.**
