

Travertine bathtub “Daymo Ice”

Transform your bathroom into a high-class Spa with a **natural stone tub** carved from a single block.

The DAYMO model, designed by the Un-Real studio is a **polyhedron** with eight sides and is hand-carved from a single block of “Ice” grey travertine. It is a unique piece and almost a work of art.

A design that mirrors the countertop washbasin with the same name.
