

Travertine Mosaic “2.5×2.5 Light Blend” Polished

The **polished and smooth surface** of the light travertine tiles used to create this mosaic is ideal for **elegant and clean environments**. This mosaic is often used for cladding, including **curved surfaces**, as it is pre-mounted on a mesh that facilitates installation.

The light beige tones of the travertine used are part of the color selection we call Light Blend. This selection also includes many sinks, both kitchen and bathroom, as well as floors and cladding.

- Easy to clean.
- Thickness of only 10 mm allows use alongside ceramic tiles
- Each box of this mosaic contains 10 sheets equal to 0.93 m²
