

Travertine mosaic “2.5×2.5 Multicolor” Rustic

Mosaic made by mixing various colour travertine tiles: light, medium, and dark beige and yellow.

The square tiles, 2.5×2.5 cm, are mounted on mesh sheets, 30.5 x 30.5, to facilitate installation.

The “Rustico” **finish gives it the characteristic antique look** with aged edges and obvious pitting, which we recommend filling after installation using specific products available on the market in various shades (for us, the most suitable is the colour Jasmine).

- Easy to clean
- Only 10mm thick, which means it can also be used along with ceramic tiles
- Each box of mosaics includes 10 sheets equal to 0.93 m²
