

Travertine mosaic “2.5×2.5 Tuscany Mix” Pebble

Created by mixing 25 x 25 mm tiles, this travertine mosaic is made up of **stones in various shades**, in a blend we call “Tuscany mix” with shades of beige ranging from light to dark. The tiles are provided pre-assembled on a **special synthetic mesh**, 305 x 305 mm., so they can be installed like normal tiles.

The antique “Ciottolo” finish gives the surface a **rustic look**, perfect for country-style environments. This finish makes the product slip-proof and thus ideal for use on bathroom and shower floors.

It is also appreciated as wall tiles for kitchens and other environments.
