“2.5×5.0 Multicolor” Rustic Travertine Mosaic

The finish given to the tiles of this mosaic is called “Rustic” due to the **aged edges** and the evident **material roughness**, chosen before assembling them on mesh sheets: the blend of beige, yellow, and brown tones distinguishes it and makes it particularly suitable for rustic, rural, country environments.

The format of the rectangular tiles is 2.5 x 5.0 cm, the sheet size is 30.5 x 30.5 cm.
