

## Travertine mosaic “2.5x5.0 Tuscany Mix” Polished

The beauty of the **natural stone** is also in the **infinite colour gradients** available. For this travertine mosaic we chose to use a blend of shades we call “Tuscany Mix”. The tiles are rectangular, 25 x 50 mm.

The open-pore Rurale finish enhances the colours of the stone that, when used as a decoration, emphasizes the environment in which it is installed.

The tiles are glued by our craftsmen to sheets of mesh that allow us to provide a pre-assembled mosaic in which the tiles fit together.

- Easy to clean due to the polished finish
- Only 10mm thick, which means it can also be used along with ceramic tiles
- Each box of mosaics includes 10 sheets equal to 0.93 m<sup>2</sup>
