

Travertine mosaic “Burberry Mix” Polished

Our Burberry Mix mosaic is made up of a combination of tiles in various formats: 5 x 5, 2.5 x 5, and 2.5 x 2.5 cm, which create a **geometric design**. The pieces are **pre-assembled** on mesh to facilitate installation.

The **tiles** are chosen in the various shades of light, medium, and dark beige travertine and skillfully **blended** by our craftsmen during assembly on the mesh, with which they are provided.

The mosaic can be used in bathrooms and for larger surfaces in the house such as foyers or sitting rooms, where a sort of carpet-look can be created.
