

Travertine mosaic “Mini Planks HF” Modern

It is a **modern** and minimal revisitation of the classic mosaic created with strips of travertine in assorted colours ranging from light to brown, assembled on mesh in pre-packaged tiles.

The strips are 15 x 150 mm, glued parallel to each other.

This mosaic is often used by our customers as a **wall or floor decoration**. Choose it for the shower or bathroom in general, but also in the kitchen or sitting room to **embellish** and decorate the floor, fireplace, and much more. It's up to you or your architect to imagine the best use for your home.

- Easy to clean
- Also ideal when paired with tiles
- Each box of mosaics includes 10 sheets equal to 0.95 m²
