

Modern “Mini Planks HF” Travertine Mosaic

A modern and minimal reinterpretation of the classic mosaic, made with travertine strips in assorted colors from light beige to brown, assembled on a mesh in **pre-packaged** tiles.

The strips are 15 x 150 mm, glued parallel to each other.

This mosaic is often used by our customers as a **wall covering** or flooring: choose it for the shower, the bathroom in general, but also in the kitchen or living room to **embellish** and decorate the floor, the fireplace, and much more. It's up to you, or your architect, to imagine the best use for your home.

- Easy to clean.
- Ideal also in combination with tiles
- Each box of this mosaic contains 10 sheets equal to 0.95 m²
