

Travertine mosaic “Petali Tuscany Mix” Polished

The uniqueness of this mosaic comes from the **tiles**. Unlike most mosaics available on the market, where the tiles are square and rectangular, here they are made in a **petal or droplet shape** in various sizes (from 1.5 to 4.5 cm) and in various shades of travertine, skillfully combined by our craftsmen.

Given its particular shape, our Petali Tuscany Mix mosaic is generally used as a **floor** and **wall** decoration. We recommend it for staircases, showers, and much more.
