Travertine mosaic “Small Herringbone Zebra Black” Polished Grout

SMALL HERRINGBONE ZEBRA BLACK made with pieces of travertine **PDR055 Zebra Black** is a mosaic mounted on mesh with tiles of 7.5 x 2 x 1 cm arranged in a herringbone pattern.

The selected travertine, in a dark brown, almost black color, creates a final effect with an ancient flavor.

Perfect for finishing a Turkish bath, a spa, or even a bathroom with a classic touch.

Achieving a similar effect by mounting the pieces one by one would be very difficult and costly.

The tiles are **pre-assembled on mesh** to form sheets of **34 x 28** cm, provided this way to facilitate installation.
