

Travertine pedestal sink “Cono CH”

Sink with simple and clean lines, made from two blocks of light classic travertine, suitable for a contemporary bathroom.

Often installed with a crystal between the sink and the base to create a countertop: the conical sink rests directly on the floor, free-standing. The drain is standard wall-mounted. With the same simple lines, we have the solid “Cono” tub to give your bathroom a unique and exclusive design.

- The drain hole is standard size.
- The faucet must be wall-mounted
