

Travertine shower tray “Wooden Slats”

The “**Slats**” shower tray is designed with a massive perimeter frame that outlines its boundary and comes in two different variants: **slats in travertine or solid wood**.

The uniqueness of this travertine and wood shower tray lies in its **slats designed to conceal the drain** and allow water to flow through. The slats can be easily removed for cleaning and inspecting the underlying drain.

Dimensions

100 × 80 × 110 cm

Weight

110 kg
