

Travertine sink “Acquaio + 1”

Add a special touch to your kitchen with this **classic light travertine** washbasin, with a simple and functional country style.

Stone washbasin carved out of a single block of travertine.

It has a **large central tub** and a smaller one to the rear that is useful for washing small objects or as a container for sponges and utensils.

- The fittings must be installed in the hole prepared for installation
- The drain is the standard kitchen size
- Easy to clean

Please note: The fittings and drain are not included in the price.
