

Travertine sink “Acquaio doppio”

Tradition combines with design. We were inspired by washbasins in Tuscan farmhouses to create this country style **kitchen washbasin**.

Very practical for every home, it has **two large tubs** where you can easily wash dishes and two **small dish drainers** in the back for glasses and utensils.

- The fittings must be installed in the prepared hole
- The drain is the standard kitchen size
- Easy to clean

Please note: The fittings and drain are not included in the price.
