

Travertine Sink “Daymo CH”

Design: [Studio Un-real](#)

Light travertine sink, carved from a single block, octagonal in shape, designed by Studio Un-Real.

Viewed from the front, it features asymmetries on the outer part that characterize it and give it a very contemporary shape. The compact, yet not small, dimensions of the travertine sink make it suitable for any type of bathroom.

- The faucet can be installed either on the countertop or on the wall.
- The drain hole is standard size.

Note: Faucet and drain not included in the price.
