

Travertine sink “Double”

Add style and elegance to your kitchen with our Double washbasin, ideal for both **masonry kitchens** as well as semi-recessed in kitchens with wood cabinets. Our customers often install it with the travertine surface, resting on the sink, allowing the rounded parts to protrude in order to highlight the installation.

Rectangular washbasin in **classic beige travertine**, for kitchens, with a double tub carved directly in the rock. The **rounded shapes** of this stone sink bring to mind rustic Tuscan kitchens.

- The fittings can be installed on either the surface or the wall
- The drain is the standard size
