

Travertine slab “Light Veined”

The color selection of **Light Veined** travertine comes from material extracted from the quarry with a **light background**, selecting veined and spotted pieces, predominantly light background: ideal for those seeking travertine tiles with a bright material where the stone's chromatic *structure* is clearly visible.

The Light Veined selection is suitable for flooring and cladding both indoors and outdoors: choose it for your living room, bathroom, or pool.

- Easy to clean.
- This selection has medium variations in color and tone.

Consult the technical information to see the various possible combinations of formats and surface finishes available.
