

Travertine slab “Terra Toscana”

Terra Toscana is a selection of **brown-reddish travertine** exclusive for its tone and color. The typical clouding of Rapolano travertine combines with the brown shades of natural Terra di Siena. The background is ochre with dynamic veins ranging from red to gray and white.

Perfect for both flooring and cladding, as well as for special works, this travertine selection is excellent for outdoor environments.

- Easy to clean.

Consult the technical information to see the various possible combinations of formats and surface finishes available.
