

Milk Shake Vein Cut Travertine

Milk Shake is an exclusive selection of **white travertine** for tone and color, probably **the lightest travertine available on the market** currently. The base is milky white with slight veining and trimming, and the structure is very compact.

Perfect for both floors and coverings, this travertine selection is excellent for spaces with minimal design.

- Easy to clean.

- Offers excellent tone uniformity

Consult the technical information to see the various possible combinations of formats and surface finishes available.
