

Vein-cut travertine “Zebra Velvet”

This travertine, called **Zebra Velvet** is cut along the grain and features an intense contrast of colours in the veining that ranges from almost white to dark brown.

The predominant colour is dark, the veins are straight and marked, bringing to mind velvet ribbing.

- Easy to clean
- Has good shade uniformity

Consult the technical information to see the various possible combinations of formats and surface finishes that are available.
